

Approach Stay-at-Work Program Specialist

The Stay-at-Work (SAW) program is sponsored by L&I to pay employers to help injured employees stay on the job. L&I will reimburse employers for some of their costs when they provide light-duty jobs for injured employees while they recover.

Our Stay-at-Work Specialist will help you submit for reimbursement and track receipt of payment. Our clients have earned more than \$15.3 million in Stay-at-Work refunds, in addition to their retro refunds and reduced experience rates!

We'll Process From Reimbursement Request to Check!

What our Stay-At-Work Specialist needs to secure your reimbursement:

1. Approved light-duty job description
2. Daily time sheets for light-duty time worked
3. Paystubs (or payroll earnings statement)
4. Stay-At-Work reimbursement application(s)

Thats it!

Contact our specialist today!
Email michael.taylor@approachms.com or call 206-812-3837 to speak with him.

Contact us as soon as a claim occurs, so we can help you get organized, complete the paperwork, and secure Stay-At-Work benefits right away.

Visit approachms.com to view more services included in your retro membership.
